

MAISON  
**TARDIEU - LAURENT**  
FAMILLE TARDIEU

**Maison Tardieu-Laurent Côtes-du-Rhône Nobles  
Origines (ex Guy Louis)**

AOC Côtes du Rhône, Vallée du Rhône, France

This Cuvée enters once more another dimension. This, as the result of an important amount of “downgraded” Crus, grown on sands, obviously. The Wine gains depth, delicacy. Great success !

**THE VINTAGE**

In the spring, contrasting, predominantly humid weather conditions, and ensuant cryptogamic pressures, rekindle still fresh memories, feeding the concerns of conscious Vignerons. The threatening shadow of 2018 hangs over the heads... A fear exacerbated by the prospect of a bountiful harvest, an aggravating factor in this circumstance... In hindsight, these rather substantial spring rains will prove to be beneficial, contributing to the replenishment of water reserves.

Indeed, a terribly dry summer period will follow this rather wet start of the year. Dry once again. Once more. Bitter observation : 2020 is the third year in a row to suffer so badly from harsh drought... Fortunately, the nights are cool. As a result, the few “mean” rains granted by Mother Nature become “life-saving” blessings. The vines survive, adapt... And this is relevant to epigenetics, according to the learned term used by one of our Confreres...

However, as the harvest approaches, while “technological maturity” soars, the actual phenolic maturity remains at a standstill... This phenomenon chiefly affects early sectors, young vines, and substantially loaded vines : at the dawn of the harvest, Vignerons are thus facing a “Cornelian dilemma”...

Uncommon occurrence, the wisest of the Vignerons, they who take the risk of awaiting the famous “equinoctial rains”, will not necessarily benefit from their fortitude. One could therefore state that, in 2020, Virtue was not rewarded. One exception to confirm the Rule... Yet, hard, extremely hard finding for a year that proves to be exceptional in its own special way... Only the Very Old Vines, meticulously worked, meet the expectations of the most demanding Vignerons. At the cost of low to extremely low yields... Nevertheless, by the grace of their deep roots, once again, the Very Old Vines recall that they are the key to success, in an odd Vintage too !
