THE VINTAGE

Vintage 2021 was incontestably a thumb to the nose of the last "solar" vintages which we have seen recently in the Rhone Valley. Real 30 year flashback, typically reminiscent of more classical harvest dates in the Vindémiare calendar and phenolic maturity from the 90s..

Indeed, this vintage has given us, on all levels, a lot of emotions. Blame it on the particularly capricious weather conditions, sweet understatement!

Extreme frost episode from 7th to 9th April, with some temperatures nearing -10C, affected without exception almost all the French vineyards. Cataclysmic observations: the vine for more than 3 weeks was brain dead! Some vinegrowers thought they had lost their ancestral heritage. Miraculously, nature took back control. But this was not without consequences. The vine stocks were deeply tilted, even unbalanced. The 2nd shoots were anarchic, the labour work extremely complicated.

Fortunately, the beneficial rains throughout the vegetative cycle, the moderate temperature in the summer and a beautiful late autumn enabled us to approach harvest season with serenity.

Like every year, nature decides for us. This is what makes this job beautiful and delicate. But undeniably, 2021 will remain forever the vintage of a great "vigneron" (vinegrower).

REVIEWS AND AWARDS

JEB DUNNUCK 96/100

"A big, ripe, opulent, and sexy white, the 2021 Hermitage Blanc has honeyed orchard and quince-like fruit, medium to full body, some acacia flower and spicy nuances, a layered, decadent mouthfeel, and that rare mix of freshness and richness that's so hard to deliver."

"Warm and open, this also has hidden depth and impressive length. Shows yellow apple and singed orange layered with sun tea, juicy plum and salted brioche on the round palate. Lined with citrus oil and wet stone, the finish is marked by bitter quinine. Delicious. Marsanne and Roussanne."
